

AGENT ANNOUNCEMENT

October 10, 2012

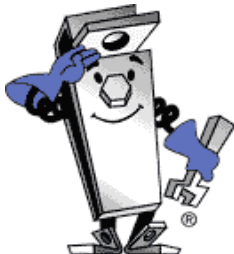

Effective immediately, Unistrut Material Sales is proud to announce that R.C. Colerick will become our Sales Agent for the Electrical market in Maryland and four counties in Northern Virginia (Loudoun, Prince William, Fairfax and Arlington). R.C. Colerick replaces Phoenix Sales.

Unistrut is the original metal framing system featuring a unique weldless connection. The Unistrut system eliminates welding and drilling, and is easily adjustable and reusable for infinite configurations. Over time, our brand has evolved from a simple connection concept to a comprehensive engineered building and support system featuring a robust line of channels, fittings, fasteners, hangers, pipe clamps, and accessories. Backed by our worldwide network of engineering and distribution centers, we provide customers with total-resource capability, making Unistrut the brand everyone asks for by name.
